

## Elements of a Strong Team Notecatcher

	What are you working to accomplish?	Who can help make this happen?	How will the team work?
Brainstorm Prompts	<ul style="list-style-type: none"> <li>● Why did you decide you needed this academy?</li> <li>● What are the main areas you want to focus on this year?</li> <li>● What else do you need to accomplish? How will you make this work sustainable?</li> </ul>	<ul style="list-style-type: none"> <li>● Who is needed to make it happen?</li> <li>● Who needs their voice represented?</li> <li>● Who are your internal experts:               <ul style="list-style-type: none"> <li>■ Who understands your student populations' needs best?</li> <li>■ Who knows how to make policy shifts happen in your district?</li> <li>■ What other kinds of expertise do you think?</li> </ul> </li> <li>● Which stakeholders are missing? How will you incorporate their voices &amp; representation?</li> </ul>	<ul style="list-style-type: none"> <li>● How will you work with your team to get answers to your questions?</li> <li>● How will you find the time and place for your team to meet?</li> <li>● How will you plan for input of community members/ youth?</li> <li>● What resources do you need to advance the work?</li> </ul>
