IN-PERSON LEARNING OPPORTUNITIES

Fall Kick-off Convening (for new teams) –

Tuesday, September 24, 2024 at EDC (300 5th Avenue, Waltham)

Join us to kick off the year with an in-person gathering of our new cohort of teams. Set your team up for success by learning the foundations of MTSS for SEL, mental health, belonging, and behavior; learn from returning teams that are successfully creating an integrated MTSS for SEB, and how they have built strong teams to ensure this work is done well; and engage in a reflective self-assessment to determine strengths and gaps in your school or district's current MTSS. This event will be held from 9:00-2:00pm at the EDC offices in Waltham, MA. Please RSVP to indicate if you will join us. [Register for the Fall Kickoff Convening](#)

Spring Convening – March 19, 2025

Our spring convening brings together teams from all years of the academy for a full day of learning from experts in the field, connecting with one another, and engaging in facilitated work as a team. Please save the date for our spring event, and look out for more details in 2025.

PBIS Trainings – Multiple dates, at EDC (300 5th Avenue, Waltham)

Teams with goals that focus on PBIS will engage in three in-person training days. These trainings are designed to teach the foundational components of PBIS and support teams to establish strong school-wide behavior norms and expectations. These trainings are only open to teams that have committed to a PBIS-focused goal and are working with a PBIS expert coach.

+ **Training 1** - Wednesday, October 30

+ **Training 2** - Wednesday, January 8

+ **Training 3** - Wednesday, May 7

VIRTUAL LEARNING OPPORTUNITIES

Team Lead Cohort Meetings

Team Lead Cohort Meetings bring together the leaders of each team in the Year 1 cohort in the SEB Academy in a virtual monthly meeting. These meetings focus on the levers of a successful MTSS, such as teaming, setting foundational understanding of MTSS, and effective data use. Sessions are collaborative and interactive, and team leads are encouraged to attend the entire series.

Peer Sharing Call Series

Below is a list of topics for our 2024-2025 peer sharing call series. Peer sharing calls bring together members of the academy around a shared topic area or goal for three sessions of facilitated conversation around successes and challenges. These calls are facilitated by members of the SEB Academy team, and may contain short presentations of content related to the topic area of focus. Peer sharing calls are open to any educator in your school or district. Winter sessions will run in December, January, and February, and Spring sessions will run in March, April, and May. Please share these dates with anyone who might be interested in attending. More information about our peer sharing calls can be found on our [About Out Events](#) page.
